Information on Certificates and Documents issued by the
Gabon Maritime Administration

To Whom It May Concern:

Pursuant to the International Maritime Organization (IMO) Facilitation Committee's circular, FAL.5/Circ.39/Rev.2 - Guidelines for the use of electronic certificates, approved at its 40th session in April 2016, a certificate may be considered as "original" or "authentic" while containing an "authorized" electronically applied signature or stamp of the 'Commissioner of Maritime Affairs' and 'QR Code'. The printed versions of electronic certificates issued by Gabon Administration comply with the provision in section 4 of FAL.5/Circ.39/Rev.2. The format and content of the certificates and documents are consistent with the models given in SOLAS, MARPOL, MLC and other relevant conventions and laws. Each certificate has a unique tracking identification number (TID) on the top right part of certificate that can be used as a second means of verifying the certificate's authenticity on Flag website- 'INTERSHIPPINGSERVICES.COM'/ Verify tab ([Registration Verification - Intershipping Services](#)) and inserting the unique certificate number.

Section 7 of FAL.5/Circ.39/Rev.2 provides that port State control officers and other stakeholders should accept electronic certificates that contain the features identified in section 4.

The printed versions of Gabon's electronic certificates include, but are not limited to, the following:

- Provisional Certificate of Registry
- Permanent Certificate of Registry
- International Tonnage Certificate
- Certificate of Ownership and Encumbrance
- Minimum Safe Manning Certificate
- Radio License
- DMLC Part I
